

RMT Family Math Nights

Dates: March 3rd, March 16th, March 31st, and April 7th

Location: RMT Media Center March 3rd, March 31st, and April 7th; **Villas Fire Hall March 16th**

Time: 6:00 – 7:30 Dinner will be served promptly at 6pm

Would like some math refresher courses? Would you like to learn what your child is learning in math class? Would you like to help your child prepare for the NJASK test? Would you like to learn some tips, tricks and strategies to help your child succeed in math and on the NJASK test? If you answered yes to any of these questions I'd urge you to consider attending one or all of the Family Math Night sessions. Each session focuses on a different topic(s) and the sessions are not consecutive in nature; therefore if you cannot attend one, you can still attend others. Mr. Lasher and Mrs. Crouthamel will be hosting the March 3rd and March 31st sessions. Ms. Szemcsak and Mrs. Kline will be hosting the March 16th session at the Villas Fire Hall, and Mrs. Lewis and Mr. Lasher will be hosting the session on April 7th. This is the ninth year that Teitelman has hosted Family Math Nights and they have been well attended each year.

Please return the bottom portion of this sheet to your math teacher by February 24th, 2011. Please indicate the number of people that are planning to attend so that we can provide the proper amount of food and adequate seating.

_____ number of people attending on 3/3 – Patterns and Algebra and Test Taking Strategies

_____ number of people attending on 3/16 – Probability and Statistics and Test Taking Strategies

_____ number of people attending on 3/31 – Geometry and Measurement and Test Taking Strategies

_____ number of people attending on 4/7 – Number Sense and Test Taking Strategies
